

Precision Mechanical

www.precisionmechsd.com / spearfish@precisionmech.biz

Company Overview

Precision Mechanical has been providing industrial, commercial and residential heating, ventilation and air-conditioning design, installation and service in and around the Rapid City area since 2006.

The principle partners of Precision Mechanical have over 45 years combined experience working in the HVAC industry. Work has been performed both as a subcontractor and as the prime contractor for a vast array of projects varying both in size and scope of work. The company was formed to take advantage of each of the principles officers' expertise within their respective field of work. Precision Mechanical strives to maintain a reputation of providing professional installation and service of HVAC systems.
