

TYLER COMMUNICATIONS INC.

Mission Statement

Our mission is to help governmental agencies prepare lifelong learners with a balanced theoretical and practical approach to the rapidly evolving discipline and art of communication in the areas of diversity training, interactive communication, and professional development for global application in a diverse culture and world. In doing this, we will deliver operational excellence in every corner of the company and meet or exceed our commitments to the many constituencies we serve.

All of our long-term strategies and short-term actions will be molded by a set of core values that are shared by each and every staff, associate and administrator.

Primary NAICS 561110
Secondary NAICS 611420, 611430,

Company Overview

Tyler Communications recognize the uniqueness of professional development for schools, corporate employees, and staff. Our primary mission is to foster a love of learning in each participant who attends our workshop, training seminars, or webinars. We offer educational consulting and training programs to schools and businesses along with document preparation services for startups and small businesses. We work with schools, businesses, and federal and state agencies across the county to develop a training program that produces results.

Certifications

Certified in 49 States:

- Disadvantaged Business Enterprise (DBE)
- Minority Business Enterprise (MBE)
- Small Business Enterprise (SBE)

Services

Tyler Communications offers diversity workshops for elementary and secondary schools that produce results. We design training modules that focus on:

- Teacher and Staff Professional Development
 - Student Learning and
 - Enhancing Social Development.
- We offer services to minority, small, and disadvantaged businesses to improve contracting opportunities.
