

STATEMENT OF CAPABILITY

DBE Certified in Nebraska, Kansas, Wyoming, South Dakota, and Colorado

COMPANY OVERVIEW:

Contractor Services, Inc. is a Nebraska based company focused on providing traffic control and pavement marking for construction projects. In business since 2010, we specialize in supporting safe traffic flow and worker safety near construction zones. Additionally, we are also experts in the application and removal of a variety of pavement marking products for roadways, parking areas and airports.

Our company is headquartered in North Platte, Nebraska, with satellite offices in the neighboring cities of Grand Island and Scottsbluff. Given our locations, our teams support a range of operations covering the western three quarters of Nebraska extending into Colorado, Kansas, South Dakota, and Wyoming.

At Contractor Services, Inc. our core values include Safety, Teamwork and Excellence in all we do. We take great pride in ensuring that we are there when you need us and that our work reflects that of the best in the business.
