

## Company Overview

ReMedi Health Solutions is a national healthcare IT management and consulting firm that specializes in end-to-end, physician-centric EHR implementation and training, including system selection advisory, system optimization, integration and testing, go-live support, and data migration. We're a clinically-driven company and committed to improving the future of healthcare. Our mission is to provide comprehensive healthcare solutions that support enhanced patient care, efficient clinical workflows, and improved financial and operational performance for healthcare systems.

- Data Migration

## Classifications

**DUNS**  
080267739

**CAGE Code**  
758M1

**NAICS Code**  
841611

## Differentiators

ReMedi Health Solutions sets itself apart from its competitors with its clinical approach to IT consulting. Led by physicians, ReMedi offers health systems peer-to-peer training, ie doctors teaching doctors and nurses training nurses with EHR and IT applications. Additionally, ReMedi offers its services in a hybrid format: both in-person and from its Virtual Command Center which creates an on-demand IT support system for hospitals and results in positive end-user experiences for clinicians.
