Company Overview

Rock On Enterprises, Inc. was formed in 2001 and is centrally located in St. Cloud, Minnesota. We are a premier aggregate trucking company. Our services range from aluminum end dumps capable of delivering pay loads up to 26 tons, side dumps capable of hauling rubble (rip rap) or any other abrasive commodities to belly dumps and dump trucks for hot mix or road way aggregates. We also have flat beds and drop deck trailers available for local movements. Our fleet of trucks is made up of dedicated owner operators and company drivers with many years of experience in the field. They are waiting, willing and ready to service your needs!
